## Event-2: TERROR OF ERROR (*Testify your mind's eye*)

The Computer Science Students Society organized yet another fun and tech based event, namely "TERROR OF ERROR". What made this event more interesting was that it was blind coding event, the coders were asked to pick a slip with a question written inside it and they had to code the same on computer with the monitors turned off.

**Presenting**

**TERROR OF ERROR**

*Testify your Mind's Eye*

Event-3:**MASTERMIND** *(Hunt for the clue, out of the blue!)*

The Computer Science Students Society organized another innovative event, namely “MASTERMIND”. This event was an open opportunity for all the students to test their mental ability and verbal reasoning.

#### **Event-4: FIESTA ( EAT , PLAY ,FUN , REPEAT)**

Basically the event was all about fun games and food stalls in which the **CSSS** members set up food stalls of various food item and games. Games like pyramid breakdown, dart game etc., were included.

### Event-5: **SQUID GAME** (*Mugunghwa Kochi Pietotseumnida*)

The Computer Science Students Society organized yet another fun and game event, namely “**SQUID GAME**”. The event was named as Red Light, Green Light and it was inspired from Squid Game Series.

Event-6: **JASHN-E-HINDUSTAN**

***(Celebrating Azadi ka Amrit Mahotsav)***

The Computer Science Students Society organized another mesmerizing event, celebrating 73<sup>rd</sup> Republic day, namely "JASHN-E-HINDUSTAN" on 26<sup>th</sup> January, 2022. This event was an open opportunity for all the students to discover their artistic side. The participants had to submit a short video describing their art representing freedom fighters through mimicry, story, saga or dialogues.
